ADDITIONAL NARRATIVE

AGENCY NAME LAKE STEVENS POLICE DEPARTMENT	INCIDENT CLASSIFICATION HIT AND RUN/TAKING M/V WITHOUT PERMISSION	INCIDENT NUMBER 15-01392
NAME OF VICTIM(S) AGOSTINELLI, NICHOLAS		

Summary:

Chelan Kincaid hit an unoccupied vehicle when she was fleeing the Safeway store after stealing a bottle of alcohol. The vehicle that Chelan was driving belongs to her mother's boyfriend, and was taken without permission.

Narrative:

On 06/05/15 at approximately 1840 hours, I responded to a report of a hit and run in the Safeway parking lot located at 717 SR9 N.E. Upon arrival, I made contact with the victim, Nicholas (Nick) Agostinelli. Nick informed me that he had parked his black Corvette in the parking lot, then went into the Safeway store to do some shopping. Nick was notified by an employee of Safeway who asked if he had a black Corvette. Nick was informed that a female driving a white Chevrolet pickup had just pulled out of the parking spot beside the Corvette, striking it on the front corner. The white pickup continued on without stopping and exited the parking lot headed north.

The store surveillance captured two females associated with the pickup, enter the store, grab a bottle of alcohol, and then run back out of the store. The two female ran to the white truck and drove away without paying for the alcohol or stopping to exchange information after the collision. The video was unable to get a license plate from the truck due to the distance the truck was parked away from the camera.

Nick provided his information and was upset about the car, stating that he had bought it brand new in 1981. Nick was hopeful that the female could be located, stating that he just wanted his car fixed.

As I was completing the collision report, Officer Christensen received a call describing a white pickup that was taken by an unlicensed driver and returned with a dent in the side. I cleared the parking lot and assisted Officer Christensen at the call location. Upon arrival, I observed a white Chevrolet pickup parked in the driveway that matched the description of the truck involved in the hit and run. Officer Christensen had already made contact with the trucks owner, Julio Meza. Meza stated that he called 911 after the dent was discovered in the truck because he did not want to be responsible for whatever was hit by the truck. Julio stated that his girlfriend's daughter, Chelan Kincaid, had taken the truck without his permission, and would not tell him what she had hit. Chelan's mother, Jessica Kincaid, was also present with Chelan and Julio. Jessica was noticeably upset about the news that her daughter had taken the truck without permission, now she was finding out that she hit a Corvette and stole alcohol from Safeway.

Chelan informed Officer Christensen that she picked her friend Breanna up from the 76 station, when the two decided that they needed to steal a bottle of alcohol. Breanna said she wouldn't take the bottle because she had a warrant, so it was decided that Chelan would steal the bottle. The two executed the plan; however things went wrong when they hit the car as they were fleeing the scene. Chelan stated that

when she returned home, she was scared and gave the bottle to Breanna and told her to leave. Chelan did not know what Breanna's last name was; however she Facebooked her and provided a phone number for Breanna. Chelan also stated that the bottle they stole was a brand called Svedka, and that it was a flavored Vodka.

I called Breanna and spoke with her about the events of the day. Breanna stated that she was with Chelan; however she did not steal the bottle, and was not given the bottle when she left Chelan's house. Breanna would not tell me where she was other than claiming she was on her way to an N/A meeting. Breanna stated that she was 17 YOA, and provided me with her father's contact information. I contacted Breanna's father, Robert Pabst, and spoke with him about the day's events. Robert stated that Breanna was recovering from a heroin addiction, and the two still have trust issues between the two of them. Robert stated that he would take care of the issue with Breanna.

Chelan, Jessica and Julio filed out and signed statement forms. I informed Chelan that I would be forwarding my report to the juvenile prosecutor and she should be expecting a court date. Chelan stated that she understood.

I checked the alcohol aisle at Safeway and located the brand that Chelan stated she took. The retail value of the bottle was \$11.99; however it was now on sale for \$8.99.

No further.
